Membership stats for UVW AGM 2023

Stats are based on the data available on 27 January 2023, so some information may be out of date. Note that UVW's members often change jobs and few inform us when they move sectors, so the breakdowns are based on the best information available.

Total membership

4000 members

120+ regular supporters

Members by sector

Note: Some members are associated with more than one sector, for example landscape architects may be part of architectural workers' and design and culture sectors, and some VAWG sector workers also belong to the charity sector. All VHU members also belong to at least one of the industry sectors.

Cleaning	1330		VAWG	157
Legal	715		Security	91
Architects	320		Childcare	53
Charity	272		Care	46
Hospitality	243		Retail	39
Design and culture	236		Other sectors*	483
Sex workers	167		*Voces Hispanas Unidas*	1440

*Other sectors encompasses members that do not fall under any of the industrial sectors listed. This category includes a diverse group of workers, such as academics, bricklayers, butchers, estate agents, fishmongers, IT professionals, lecturers, mechanics, nutritionists, opticians, parking attendants, pharmacists, researchers, riding instructors, software developers, students, swimming teachers and union organisers and officials.
